

ANNE AKIKO MEYERS

VIOLIN

JASON VIEAUX

GUITAR

Two internationally acclaimed artists join forces. At the Eastern Music Festival, this Billboard top selling violinist and Grammy-winning guitarist gave us a hint from this program, performing John Corigliano's 'Lullaby for Natalie': *"Accompanying Meyers was the Grammy award winning guitarist Jason Vieaux in a "world premiere" arrangement...This is indeed a gorgeous piece and a marvelously intimate arrangement, perhaps the best of the lot because of the tenderness of the two instruments. The gentle performance completely mesmerized the audience."* -Classical Voice North Carolina
